

Knowledge Exchange Activity

By exploring how digital technologies can help connect our communities and improve our health and wellbeing, Smartline is supporting SMEs based in Cornwall and the Isles of Scilly develop innovative products, processes and services.

Smartline is actively supporting SMEs new to this market, as well as those already engaged in it who are innovative and looking to grow through a range of Knowledge Exchange approaches:

Mini generation grants

In-residence schemes

Follow on research and cash grants

In order to work with us you need to meet our eligibility requirements:

- ▶ Your enterprise must be based (or going to be based) in Cornwall and the Isles of Scilly.
- ▶ Your enterprise must have less than 250 employees (FTE) and an annual turnover of less than €50m euros (approx. £45m), or total assets of less than €45M (approx. £36M).
- ▶ No other enterprise owns more than a quarter of your enterprise's issued share capital.
- ▶ Your company is not in financial difficulty.
- ▶ You must not have received more than €200,000 in state-aid during the last 3 rolling fiscal years.
- ▶ You need to agree to the publishing of research findings.
